Dear Dick:

It has been a long time since I sat down and read you letter of July 28, 1963 giving a report of your work here during my vacation. I am sorry that I have not had an opportunity to answer it sooner because of my being away at our three Diocesan Conferences at Bard College and I am now leaving for a week in Plattsburgh for the New York State Fire Instructor's Conference.

I do want to say how much I enjoyed the work that you did here at St. John's. Work with the Sunday Services, the funerals, the baptisms, the work in the office, the calling, the visiting and above all being here and having a continuity which we have not had before during the Rector's vacation. For all this the Vestry and Parish and I thank you very much.

I trust your months vacation in Florida was pleasant and enjoyable and that you are now back at the Choir School working hard with the boys that are coming in. I thought that you might like to know Donald Muller an entering day student is from my former Parish in Stone Ridge and that Cassey Root a entering boarding at the School is also from Garnerville the son of the Rev. Scott Root the Rector of Trinity Church, Garnerville.

I shall be visiting in New York on a number of occasions and will stop in and say Hello. Again many thanks for coming to the Parish and with kindest personal regards, I am

Faithfully yours,

(The Rev.) David W. Arnold
