Office of the President

Mr. Richard T. Nolan
The Hartford Seminary Foundation
55 Elizabeth Street
Hartford, Connecticut 06105

Dear Dick:

Dean Bijlefeld's "Internal Memo" reminds me that you are now less involved than you have been. I cannot let the occasion of your reducing your contribution to Hartford Seminary pass, without expressing my personal appreciation to you. I am grateful not only for what you have done "technically" as assistant to the dean, but your genuine concern for the future welfare of your alma mater and the many suggestions you have made, some of which I hope will bear fruit.

Happily you will be continuing to come to campus regularly and I hope that means you also will come in for a conversation often.

Sincerely yours,

James N. Gettemy
