JAMES W. WICKENDEN  
HEADMASTER

June 14, 1955

Dear Mr. Nolan:

I think you already know that we have the highest possible regard for Richard not only as a gentleman and member of our student body but also as a citizen and one who constantly works for the welfare of the school.

It has been a pleasure to have had him here, and we are looking forward to having him here this summer.

With kind regards,

Cordially yours,

Mr. Thomas M. Nolan, Jr.  
9 Bryant Road  
Waltham, Massachusetts
