OFFICE OF THE HEADMASTER

February 16, 1962

Mr. Richard Nolan
Watkinson School
Hartford 5, Conn.

Dear Richard,

We have a very good reference from your Headmaster, although we have heard nothing yet from your Bishop. However, I want you to know that we should be delighted to have you with us next year and I am enclosing a contract and I should be very grateful if you would sign one copy and return it to us. We are of course assuming that your Bishop agrees to your coming and in a sense the contract must be conditional upon his approval. However, having gathered from you that he is in agreement, our hearing from him will be a mere technicality.

I want to say personally how much I am looking forward to having you here whether or not I shall be your Headmaster, and I hope that I shall see you in the meantime and that you will let me know if there is anything that I can do.

With warm greetings,

Yours most sincerely,

Alec Wyton
