TO WHOM IT MAY CONCERN:

The Rev. Richard T. Nolan has been an excellent member of our staff since 1965. He has a broad cultural background, kindness and firmness in teaching, a generous interest in his students, especially in mathematics, in which he is well equipped. He is earnest, gentlemanly, fair, consequently well liked and respected. His supervision of students in the dormitory and otherwise outside the classroom is superior in tact and sense of responsibility. He has served well additionally as chaplain.

Very truly yours,
